

## AMENDMENTS TO THE CONSTITUTION

### ARTICLE 10 instead of

Membership may be terminated:

- by withdrawal, if notified at least six months in advance for the end of the year;
- by death;
- by expulsion, which shall be decided by the Council pursuant to Article 15 and to the By-Laws.

### shall read:

Membership terminates:

- on withdrawal, if notified at least six months in advance of the end of the year;
- on death;
- on failure to pay membership fees according to rule 8 of the By-Laws;
- on expulsion, which shall be decided by the Council pursuant to Article 15 and to the By-Laws.

### RULE 8 instead of

The fiscal year shall be the calendar year and membership fees shall be due on 1 January. In the event of non-payment of the fee after six calendar months membership may be terminated by the Council.

### shall read:

The fiscal year shall be the calendar year and membership fees shall be due on 1 January. In the event of non-payment of the fee, membership will terminate six months after the end of the year for which payment has not been received.

### COMMENT:

The previous regulations for suspension of membership were very complicated and the change is designed to provide a more severe, but nevertheless correct procedure. Due warning of suspension will, of course, be given.

## AMENDMENTS TO THE BY-LAWS

### RULE 35

Ordinary Members shall pay annual fees as follows:

- Individual Ordinary Members, Constitution Article 4a) 12 units per Individual Ordinary Member
- Societies, groups or laboratories Constitution Article 4b) according to the following scale:

first 500 members	1 unit per member
next 500 members	0.7 units per member
next 1000 members	0.6 units per member
next 3000 members	0.5 units per member
next 5000 members	0.4 units per member
all members in excess of 10000	0 units per member
- Individual Ordinary Members, Constitution Article 4c), who are thus also members of a society, group or laboratory which is an Ordinary Member by Constitution Article 4b) 4 units per Individual Ordinary Member
- Individual Ordinary Members, Constitution Article 4d), who are thus also members of a Collaborating Society such number of units as decided by Council for each Collaborating Society

### Add:

Notwithstanding the above, Individual Ordinary Members below 30 years of age and Individual Ordinary Members certifying their retirement from professional activities shall pay 50% of the annual fee that would otherwise be due as set out in a), c) and d) above.

## University College London

Dept. of Physics and Astronomy

"New Blood" lecturer in theoretical atomic physics and astrophysics.

The above post is in the research group led by Professor M.J. Seaton. Preference will be given to applicants not older than 35 on the date (October 1985) of taking up the appointment.

Applications should be addressed to:  
The Assistant Secretary (Personnel)

University College London  
Gower St., London WC1E 6BT

from whom further particulars may be obtained.

## Election of IOM Delegate to Council

Following a very heavy poll to elect a replacement for the outgoing delegate at the completion of his term, T. Riste of Kjeller, Norway, the new IOM delegate is:

W. Thirring, Vienna, A with  
M. Balkanski, Paris, F as alternate.

## Call for Nominations

Proposals are now invited for the 1986 Hewlett-Packard Europhysics Prize. These may be submitted by Members individually, or as representatives of a Division and should include a:

**definition of the work in question;**  
**short biography of the candidate;**  
**list of relevant publications.**

Details should be sent to the Selection Committee, c/o EPS Secretariat, to arrive not later than 31 August 1985. All information will be treated as confidential. The Committee cannot enter into correspondence over the selection made.

Astronomy and Astrophysics Division  
Solar Physics Section  
Atomic and Molecular Physics Division  
Atomic Spectroscopy Section  
Chemical Physics  
Electronic and Atomic Collisions  
Molecular Physics  
Computational Physics Group  
Condensed Matter Division  
Liquids Section  
Low Temperature Physics Section  
Macromolecular Physics  
Magnetism  
Metal Physics  
Semiconductors and Insulators  
Surfaces and Interfaces  
High Energy & Particle Physics Division  
Nuclear Physics Division  
Optics Division  
Plasma Physics Division  
Quantum Electronics Division

*Europhysics News* is the official journal of the European Physical Society which comprises 29 National Societies, Academies and Group, over 3500 Individual Members and 66 Associate Members. Governing bodies of EPS are the General Meeting, Council and an elected Executive Committee responsible for detailed policy. EPS promotes the collaboration of physicists throughout Europe, organising and harmonising conferences and publications, improving physics education, encouraging physics applications, awarding scholarships to sponsored schools in Erice. EPS publishes in addition to *EN*, *Europhysics Conference Abstracts*, *E. Ed. News* and, in collaboration with The Institute of Physics (UK), the *European Journal of Physics*. Individual Members receive *EN* free of charge (price to institutions: Sw.Fr. 90.-/a), rebates on the price of many publications and on conference fees. Annual EPS membership fee for Individual Members belonging to an EPS member society is: Sw.Fr. 40.-; independent members: Sw.Fr. 120.-; members of a Collaborating Society, eg. the American Physical Society: Sw.Fr. 50.- (\$ 25).
