Europhysics News is the official journal of the European Physical Society which comprises 29 National Societies, Academies and Group, about 4000 Individual Members and 70 Associate Members. Governing bodies of EPS are the General Meeting, Council and an elected Executive Committee responsible for detailed policy. EPS promotes the collaboration of physicists throughout Europe, organising and harmonising conferences and publications, improving physics education, encouraging physics applications, awarding scholarships to sponsored schools in Erice. EPS publishes in addition to *Europhys. News*, *Europhysics Letters* (in partnership with national societies), *European Journal of Physics* (in partnership with The UK Inst. of Phys.), *Europhys. Conf. Abs.*, *Europhys. Ed. News*. Individual Members receive *Europhys. News* free of charge (price to insts.: Sw.Fr. 90.-/a), *Europhys. Lett.* at Sw.Fr. 70.-/a (insts. 590.-), rebates on many other publications and on conference fees. Annual EPS membership fee for Individual Members belonging to an EPS member society is: Sw.Fr. 44.-; independent members: Sw.Fr. 132.-; members of a Collaborating Society: Sw.Fr. 55.-.
